From its wide sparkling shores to waterside amusement park games and rides, Daytona Beach welcomes your family to create lasting memories along its 23 miles of coastline.

Start with a stroll down our iconic boardwalk, where you can be a kid again. Soar to new heights on a roller coaster and take in the view from atop a ferris wheel. Then play some nostalgic arcade games and grab a snack. Afterwards, build a sandcastle on the “World’s Most Famous Beach” or go for a dip in the ocean. And to switch up the scenery, take the kids go-kart racing or zip-lining.

If you need a break from the sun, explore the Museum of Arts & Sciences and accompanying Planetarium. Get up close with sea turtles and stingrays at the Marine Science Center. Or tour the grounds of Ponce de Leon Inlet Lighthouse & Museum, and climb the tower of Florida’s largest lighthouse.

As dusk approaches, catch a picturesque sunset at a beachside restaurant or enjoy some family bonding time with a game of volleyball or miniature golf. Cap off the day at the waterfront Ocean Walk Shoppes & Movies, where you can pick up some souvenirs, indulge in a sweet treat and finish the night with a movie.

Any way you choose to take in the sights, your family will leave Daytona Beach with a treasure trove of beachside memories.
